NYC AUDITION CHECKLIST

Planning to enter the contest at the live audition in New York City?
Here's some helpful information:

- 1. When:** Monday, April 28th.
- 2. Where:** Spotlight Live,
1604 Broadway, between 48th and 49th.
- 3. How to make an audition appointment:**
Call 866-99-DYNAMO (39626).
(Walk-ins are welcome, too, on a first-come,
first-served basis.)
- 4. What to bring:** Proof of age for all members
of your trio.
- 5. What will happen when you get there:** You'll
fill out some forms and have your photo taken
(for internal ID purposes only). There's one
large room where all trios will wait to audition.
When it's your turn, you'll be videotaped for
your entry into the contest. You'll get approx-
imately 4 minutes in front of the camera –
so make 'em count!
- 6. What to sing:** Choose one of these songs from
MAMMA MIA! (We'll have the lyrics for you, if
you need them. They're also available on
ponds.com.)

Mamma Mia!
Dancing Queen
- 7. What you'll get:** For participating, you'll receive
a Pond's water bottle and Pond's clean
sweep™ towelettes!

And remember:

These are important:

- Everyone in your trio must be at least 40 years old.
- You must use the correct words and music of the
song you select. It's like karaoke – we'll provide
music and lyrics for you.
- There can't be ANY recognizable product logos,
labels, trademarks or advertising on anything you
wear in your audition.

This is very important:

- Everyone in your trio must have a valid passport.
(But you don't have to bring it with you.)

This is *most* important:

- Have fun! After all, the contest is all about letting
your inner Dynamo sing out to show how fabulous
you are!
